Business name	

How long have you been running your business?

What are your plans for the next 12 months?

What software systems do you currently use or are planning to use?

Please tell us about any particular challenges you have that you would like help with

Why would you like to receive mentoring? What do you want to achieve from being mentored?

Having read all of the details are you able to commit to being mentored by an experienced SWW member?

A member of the steering group may ring you before the mentoring starts in order to make sure that we allocate an appropriate mentor to help you. Is this ok?

By completing this application, I acknowledge that:

- a. There is an administration charge of £120 per annum (or £10 per month for 12 months) payable to The Society of Will Writers.
- b. I am aware that the mentors are volunteers who are not being paid and they are existing experienced Estate Planners who want to give back to the less experienced members.
